WITHIN YOUR NEIGHBOURHOOD

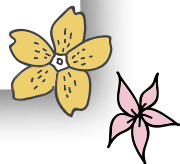

Winter, Spring, Summer or Fall – get to know your neighbours in every season

SPRING Spring to life in a park space made to greet you every season of the year. Enjoy rolling hills, fly kites in the wide open space, teach someone to ride a bike or stop to watch the birds flying home. Make the outdoors part of your everyday.

SUMMER Enjoy Glenridding Heights Park during the Summer, as you read a book on the park bench, watch your children play soccer, roller blade on the paths or have a neighbourhood cookout. Enjoy park space in your neighbourhood year-round.

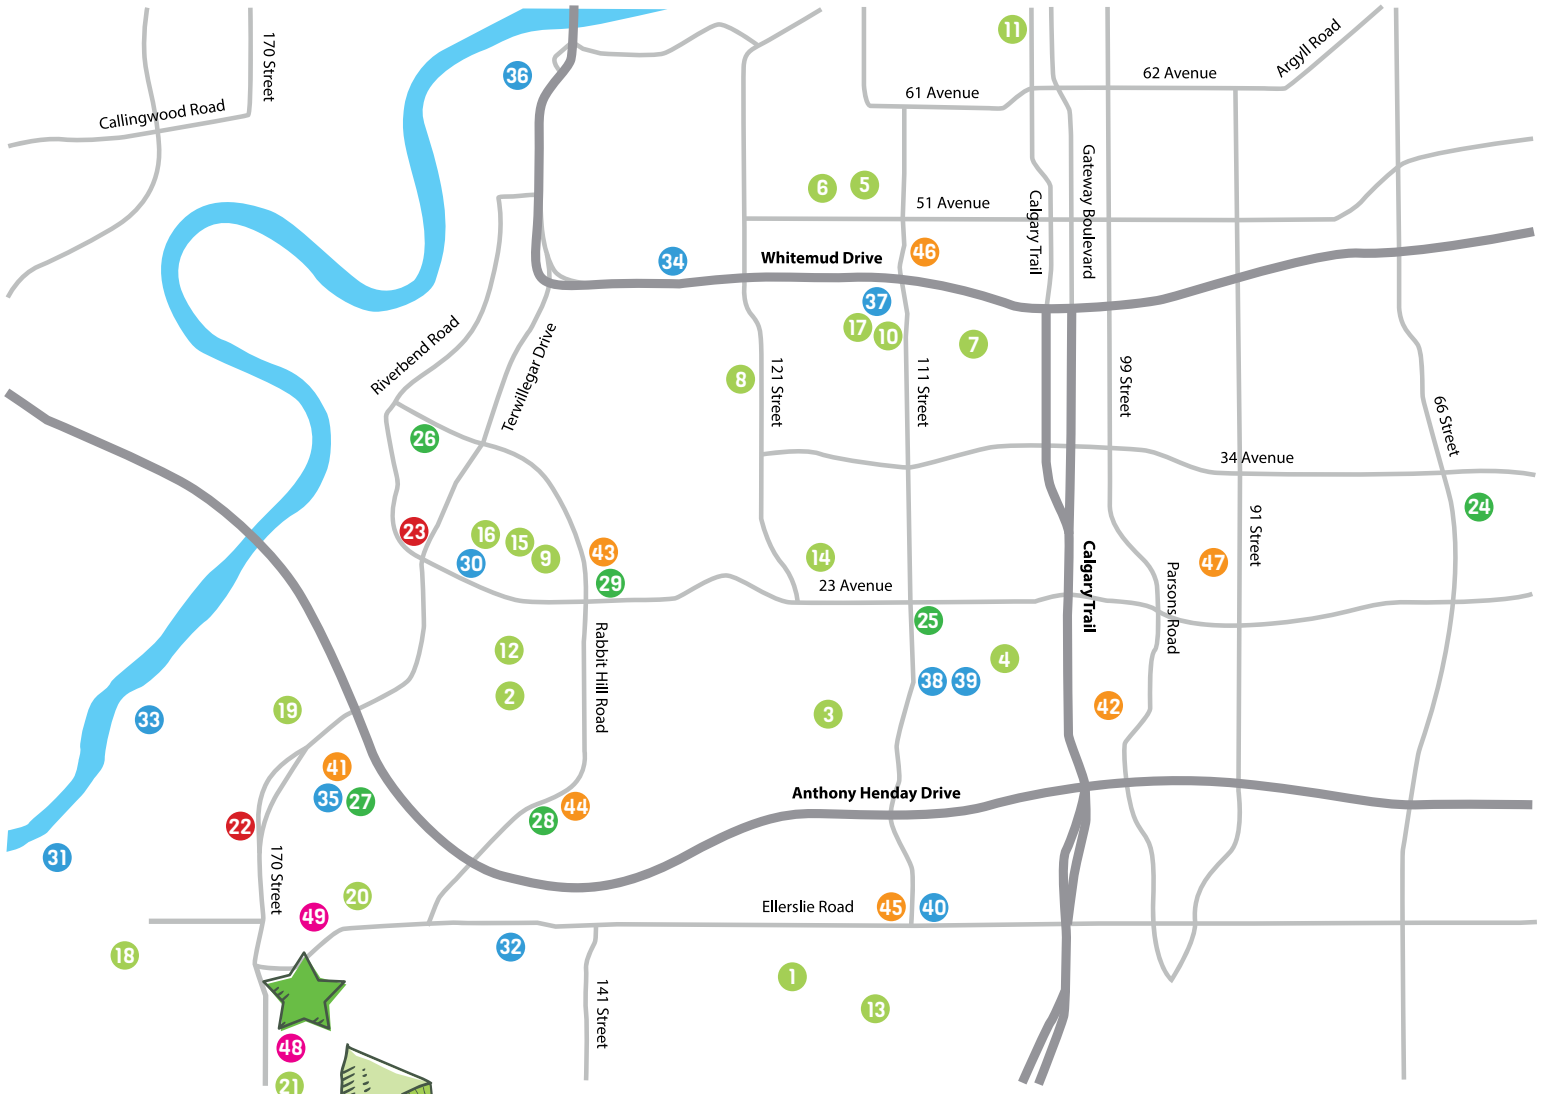

FALL Relish in the last days of warm weather by visiting the Glenridding Heights playground in the Fall. Push your children on the swings, take a walk along the paths, gaze up at the stars or watch the leaves turn from green to the vibrant colours of Fall. Change your activities with each season.

WINTER Appreciate the Winter oasis park area as you and your neighbours create a community of snowmen, toboggan down hills, learn to cross-country ski or make a snow angel. Season by season, fall in love with your neighbourhood.
